GETT-Group

GETT-Group is one of the leading manufacturer of professional operating technology that is "Made in Germany" and our group was established in 1996.

We specialized in manufacturing high quality products and HMI solutions for industrial, medical, retail, food industries.

Over the years, GETT-Group has also built and accumulated a vast network of qualified components following the strictest industrial standards.

GETT Group Headquarter in Germany

GETT APAC

GETT APAC as the subsidiary of the GETT Group in Hong Kong which is the regional headquarter in Asia Pacific region. We aim to provide the high quality product and components in medical, industrial and different industry sectors. We also provide OEM and quality control service to our global partners.

Being the global hub in Asia, our vision is to utilize the well-established supply chain network, technical expertise from GETT Germany, and the local proximity advantage to let our customers benefit a wide range of quality products and flexible supply chain services.

Medical Product

1. Standard Products (Keyboard & Mouse)
   - A GETT Brand Range (Made in Germany)
   - GETT Certified Quality (GCQ)

2. Product Sourcing & Customized Project
   - Sourced office / IT products
   - Customized with R&D project

3. Medical System
   - Medical touch monitoring system
   - Medical PC

What is GETT Certified Quality (GCQ)?

GETT
Certified quality

GETT Certified Quality (GCQ) scheme was created under this vision. It is a strong commitment of quality control to all aspects of our products and services from GETT APAC.

GCQ is a high quality assurance process based on strictest German industrial standards compliance by GETT-group.

cleankeys®

INDUPROOF®
A GETT brand

Induproof® Smart Compact
KG20231

InduProof silicon seal	USB connection
Clean mode	IP68 100% waterproof
Dishwasher safe	

Induproof® Smart Classic
KG19269

InduProof silicon seal	USB connection
Clean mode	IP68 100% waterproof
Dishwasher safe	

Induproof® Smart Touch
KG22205

InduProof silicon seal	USB connection
Clean mode	IP68 100% waterproof
Dishwasher safe	Touch pad

Induproof® Smart Pro
KG22203

InduProof silicon seal	USB connection
Clean mode	IP68 100% waterproof
Dishwasher safe	Adjustable backlight
Magnetic mounting	

Induproof® Advanced Sanitizable
KG17204

InduProof silicon seal	USB connection
Clean mode	IP68 100% waterproof
Dishwasher safe	Mouse button
VESA mounting	

Cleankeys® CK4
KR23211

Gorilla glass anti-scratch	USB connection
Clean mode	100% waterproof
Adjustable sound	Touch pad
VESA mounting	Adjustable sensitivity

CleanDesk
KL22217

Plastic enclosure	USB connection
Office friendly	IP65 splash proof

InduMouse
KH20225

InduProof silicon seal	USB connection
Laser detection	IP68 100% waterproof
Dishwasher safe	

Compatible With Hospital Disinfectants
Dishwasher Safe
Flexible Customization

CLEANTYPE® MAGNETIC
KSI-U10020

Silicon seal	USB connection
Antimicrobial additives	IP68 100% waterproof
Dishwasher safe	Adjustable backlight
ON/OFF switch	Waterproof cap
Magnetic mounting	

CLEANTYPE® MEDICAL
KSI-U10050

Silicon seal	USB connection
Antimicrobial additives	IP68 100% waterproof
Dishwasher safe	Adjustable backlight
ON/OFF switch	Waterproof cap
EN60601-1-2	

CLEANTYPE® GCQ Touch Keyboard
KSI-U10080

Silicon seal	USB connection
Antimicrobial additives	IP68 100% waterproof
Dishwasher safe	Adjustable backlight
ON/OFF switch	Waterproof cap
EN60601-1-2	Touch pad

CLEANTYPE® EASY PROTECT
KSI-U10100

Silicon seal	USB connection
Antimicrobial additives	IP68 100% waterproof
Dishwasher safe	4 indication LED
Clean mode	Waterproof cap
Pigtail cable with extension	Office friendly

CLEANTYPE® WAVE COMPACT
KSI-B10030

Silicon seal	Bluetooth 3.0
Antimicrobial additives	IP67 100% waterproof
Dishwasher safe	4 indication LED
IOS & Android fast key control	Magnetic mounting

CLEANTYPE® WAVE CLASSIC
KSI-B10020

Scissor Mechanism	Bluetooth 3.0 & USB
Antimicrobial additives	IP65 waterproof
Dishwasher safe	Clean mode
IOS & Android fast key control	Protective cover

CLEANTYPE® WAVE CLASSIC
KPL-B10010

Scissor Mechanism	Bluetooth 3.0 & USB
Antimicrobial additives	IP65 waterproof
Dishwasher safe	Clean mode
IOS & Android fast key control	Office friendly
